

Plan B: Hybrid of in-person and remote learning
Mobilizing Support: Optimize support & minimize obstacles

Circle one to focus on: *Teachers* *Support Staff* *School Maintenance* *Students* *Parents* *Community*

What do we need to put in place?	What will that look like? What will be the success criteria?	What resources and training are needed?	Who will you involve? Who can help?	When will we do this? Timeline? On-going dates?	How will we ensure feedback loops to identify successes & monitor challenges?	Other
